It became obvious within weeks of the transition that the CSP Forums needed some form of moderation using a simple set of rules, so it could be maintained as a fair and friendly place to visit by everyone.. Therefore, in order to prevent any confusion, chaos and negative posts created by the usual suspects as the result of duplicate efforts on multiple sites under the CSP banner, it's now time for us close this temporary site and the hosting services that we've been providing for free to the Culvers and the CSP community since March 1st of 2009.. ALL USGI M1 Garand rifles have the manufacturer and serial number on top of the receiver just in back of the rear sight.. Ditto for the M1 rifles made by Springfield Armory Inc (NOT the government arsenal of the same name!), except I believe the serial numbers start at 7,000,000.

We thought it would be appropriate for the benefit of both the Milsurp com and CSP communities, to summarize what the last six months of providing a temporary home for the CSP community here at Milsurps.. Thanks to everyone who helped us make it through this challenging adventure and expressed support at times when we surely needed it.. Without these guys stepping up, this temporary CSP site would have simply disappeared four months ago, so whether you agree with their moderation styles or not, the CSP community owes them all a huge debt of gratitude.. However, the upside was that along the way we met a lot of terrific people and fellow gun owners from all over the world.. It appears as if the Culvers have started that renewal process, so let's hope it addresses all of the old lingering issues.. php?uid=0&fid=108&t=v&kw=M1', function (res) {});>M1 Garands and 03A3's were assigned.

Although hits were limited, it was always nice to get a location of where one of your favorite rifles was assigned.. Dell t3500 workstation specs Early Issues IHC's M1 Garands used quality barrels made by the Line Material Company in Milwaukee.. We interpret that to mean that they are both returning to good health and sufficient positive spirits, to want to take back control and the daily grind of operating and maintaining an active web site again, which is great news! It is recognized that the legal rights to the CSP name and control of that entity is indeed the sole property of the Culvers.. All of these funds have been forwarded to the Culvers and we presume that some of that money has gone to funding the establishment of their new site.. com), we offered Gloria the opportunity to save the old CSP site from imminent extinction due to being overrun by spammers, a host server that was on its last legs and an aging software database with so many broken links, security holes and data corruption issues, that it couldn't be repaired without a massive software upgrade and overhaul.. Toward that end we established a CSP Moderator Team composed of a group long time CSP members, who volunteered their time and services for the rest of you to help maintain order, prevent chaos and enforce the rules in as fair and balanced manner as is possible, remembering that we're all human.. Extract of Original Announcement Posted on August 28th, 2009 Hello everyone Although we've never received any official

notification from the Culvers, it appears that Dick and Gloria have resurrected and re-opened a new web site.. com has achieved Starting out near the end of February with the reluctant support of my wife (co-owner of Milsurps.

Also during the process of transition, we cleaned up a whole lot of site leadership and strange personality disorder problems, many of which revolved around people who seemed to be logging in from the same computer using multiple identities.. milsurps com/content php?r=132-united-states', SHOWCLOSE, 0, BALLOONIMGPATH , 'autolinker/images/balloons/yellow'); microAjax('autolinker/autolinker_stats.. Once they and a few other folks who felt the CSP Forums were just all about them and didn't seem to play well in the sandbox with others were cleaned out, we'd like to think that the end result was a pleasant and enjoyable site for the majority, where nobody felt uncomfortable posting, even if they didn't write things well, or weren't as knowledgeable or outspoken as some of the highly prolific posters who dominate many forums.. IHC was assigned two separate blocks of serial numbers for M1 rifle production: 4,400,000 to 4,660,000 and 5,000,501 to 5,278,245.. html' Is this information now carried at another location Thanks, Steve. Finally, a personal comment if I may I'll be very honest with you guys There have been days (and weeks) where I said to my wife, why did we ever do this? Not many people seem to appreciate it and all we seem to be getting is ugliness from a few dozen highly vocal people who seem to enjoy poisoning the well and watching others drink from it.. In addition, we literally spent hundreds of hours on-line answering emails, trying to help educate a lot of elderly gun owners transition to a more modern bulletin board software interface.

We made a lot of new friends through this process and we hope most of you won't be strangers to our site, as the great majority of you are all most welcome to return and post anytime.. On that note, we'd like to thank Bill Hollinger, Rick the Librarian, Amatikulu, Bob Womack and cafdw (Harlan - DECEASED), the latter of whom got thrown under a bus regularly.. Most days we felt like we were teaching computer science and our phone bill sitting on long distance talking huge numbers of inexperienced people through logging-in and how to post a message, literally drove our phone bill through the roof.. Remarkably, she's never said I told you so, but she sure as heck could have Would I do it again, or recommend anyone ever try to step up and help out virtual strangers? I'm not sure, but ask me again in six months when we get our lives back and we return our site to the quiet enjoyable expression of love for the hobby we enjoy so much, which is collecting and discussing old milsurps, sharing those experiences and our ever growing on-line Knowledge Libraries (click here) with like minded folks. e10c415e6f
